transformative  
social innovation  
theory

# The Knowledge Group

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no 613169

## Why a Knowledge Group?

We want to formulate our theory in a dynamic and iterative process, in which we continuously interact with social innovators, social entrepreneurs, policymakers and scientists in a number of ways.

*Will you support us?*

*In the TRANSIT knowledge group, you become part of one of the current gateways to Social Innovation research and you can put your perspective on the Social Innovation agenda.*

*"The only source of knowledge is experience."*

*Albert Einstein*

## Who is joining?

The **Knowledge Group** consists of 20 key-practitioners from various social contexts.

**If you are:**

- Involved in social innovation
- A social innovator or entrepreneur, a policy-maker, activist or advisor
- Involved in one of the networks or local initiatives in the TRANSIT-research

Then we cordially invite you to become a member of our Knowledge Group.

## Why join?

**As a member, you can:**

- *contribute to the results and process of TRANSIT, by thinking with us on the development of training tools and the Transformative Social Innovation Database,*
- *become a part of various TRANSIT workshops and events,*
- *become acquainted with and give feedback to the process of researching Social Innovation,*
- *get in touch with other social innovation practitioners as members of the Knowledge Group,*
- *author or co-author blogs on our website and eventually Newsletter,*
- *stay updated with information about interesting developments in the social innovation field.*

*Your time-investment is flexible, based on your availability and interest.*
